Testimonials

"We, as parents, have faith in this program, in their expertise, experience, and wisdom, and are thrilled that the OASIS program makes a four-year college degree from Pace University a realistic goal!"

"The OASIS team understands the learning styles of those enrolled in the program. The one-on-one academic coaches, social workers, and career guidance professionals are skilled and dedicated. They know what it takes to support their students—wholeheartedly, and with a full awareness about the nuances of special-needs learners."

"This is a place where growth meets success. We help our students advocate for themselves."
